YOUR 5-STEP WORKFLOW

1. **Home** — Blue box? Click **Review now** and **Approve** the PDF.
2. **Exhibitor list** — Check wineries marked *Not in system* → **Create drafts**.
3. **Approve** — Open each license, check PDF, click **Approve**.
4. **Send** — Filter **Approved** → select wineries → **Send selected** (DocuSign emails them).
5. **Sign** — When they sign, open your DocuSign email and **countersign**. Accounting is notified automatically.

EXHIBITOR LISTS

Returning · Sparkling Whites & Champagne · New Exhibitors — click **Refresh from sheets** for the latest. Status updates live in the app and writes back to Google Sheets.

Stuck? Screenshot + email Mike. Yellow “Send to accounting” on Home is rare — only if it appears after you already signed in DocuSign.
